FORTNIGHTLY BULLETIN

FROM THE PRINCIPAL

2019 Education Week 19th-25th May

It was great to see such a range of careers represented for our special careers dress up day to commence Education week on Monday. Thank you to our students and staff for putting in such a great effort on researching different careers and creating costumes. Well done to our students who spoke about their chosen career and costume at assembly.

As part of our Education Week celebrations families are invited to an open afternoon on Friday 24th May at 1.45 – 3.00pm. Students will be engaged in a classroom activities related to Education week for the afternoon.

Election Day Barbecue at Osborne

Election Day is this Saturday 18th May and Osborne's school gym will be once again be used as a polling booth. Our "Friends of Osborne" group are running a barbecue and cake stall on that day. Thank you to our FOS group for organising a successful barbecue and cake stall on Election Day at Osborne. Many thanks to the parents and staff members who came along to assist. We were fortunate to have great weather and a steady demand for the yummy goods on offer. I received a number of very positive comments about our school and community from members of the public. Thanks to everyone for their support.

Inclusive Schools Project

This week you may have noticed construction workers and temporary fencing appearing outside the Dava building. The Inclusive Schools project has commenced! Last year our school was successful in attaining a \$200 000 grant through the Federal Government's Inclusive Schools Fund opportunity. The project will see the construction of a sensory garden, outdoor literacy space and library upgrade. We are very excited to get this project underway.

Staffing

I will be taking long service leave from this Thursday May 23rd until the end of Term 2. Brett Miller will be Acting Principal and Kate Hornsby will be Acting Assistant Principal during that time. All the best to the students, staff and community for the rest of the term. I will look forward to telling you all about my travels when I return at the start of Term 3!

“What I Want to be When I Grow Up”

My Future Career—C.E.O of Siemens

Since I was very young I would dream about becoming a Siemens C.E.O. The way I found out about Siemens C.E.O's is because my Dad is one. If I become a C.E.O. of Siemens I will get an outstanding pay check. At least one night a week after school when my Dad would come home I would ask him what he did that day, (Almost every day he would talk about Hydrogen).

My Future Career —Writer

My hobby since I was 3 was to read and write. I used to draw squiggly lines and pretend I was writing a book. I also drew pictures to resemble characters. Every time my dad made a mistake in a book I would always correct him. I used to read books and since I couldn't read I would make the words up and make up my own story. I own two bookshelves full of books and a few in my computer desk. My room's full of books and paper.

My Future Career —Vet

I would love to be a vet because I love working with animals. Some fluffy some not I don't really care, I love animals either way. I want to help animals get all better.

My Future Career— Photographer

I've always wanted to be a photographer. When I was little I always asked my mum to use the big camera but she always said when I am 6. My mum has a lot of photography stuff. Now I love photography.

STUDENT AWARDS

FOS

Thankyou to all the staff and parents who helped on the Election BBQ and cake stall on Saturday.

To all the families who donated items for the cake another BIG THANKYOU, we could not have run such a successful fundraiser without you.
