FORTNIGHTLY BULLETIN

FROM THE PRINCIPAL

This week we are able to start moving into the new building comprising the final stage of the capital works program. It is looking amazing! We have a big fortnight ahead moving Year 1 and 2 classrooms, the library and the art room.

The organisation and support put in place for the move will ensure as little disruption to students' learning as possible.

Once we have moved in, the demolition of the Dava building and reinstatement of the basketball courts and grounds will begin. It is very exciting seeing the works progressing at such a fast pace!

OSBORNE Vision Statement

OSBORNE Primary fosters a caring, inclusive environment that develops values, attitudes, knowledge and skills in our students that will better equip each student to achieve a meaningful and fulfilling life in our complex, changing world.

Osborne Primary School would like to acknowledge the Boon Wurrung People, the Traditional Owners of the land on which we are gathered and pay our respects to the Elders both past, present and emerging.

Since last week we have had news from the Education Department of a few more inclusions into our programs as the COVID restrictions ease. Those relating to Osborne are the resumption of indoor sport for PE classes as well as camps and excursions.

Our camping program was cancelled for all year levels for 2020 but we have the full suite of our usual camping program booked for 2021. We are currently planning excursions for Years 4, 5 and 6 for Term 4, 2020. Given the short number of weeks left until the end of the year we prioritised these year levels for excursions this term. We look forward to excursions happening across all year levels for 2021.

I will keep the community informed as we hear of any further easing of restrictions for schools as per Department of Education advice. Enjoy the rest of the week!

NAIDOC Week

Last week we celebrated NAIDOC Week at Osborne and students participated in a variety of activities across the school.

Here is a glimpse of some of the great things we did, with more photos of every grade to follow in next weeks' newsletter.....

COMMUNITY NOTICE

2020 Christmas Hope Appeal

Hi Osborne,

The SRC Leaders and SRC reps across each class are promoting a fundraiser called the Christmas Hope Appeal.

Our fundraiser is to support Osborne families who are doing it tough. This year has been particularly hard for so many due to job losses and other impacts due to Covid-19.

Unlike previous years, we are not collecting food donations for Christmas hampers, but hope that we can collect as much money as we can, with the help of New Peninsula Community Caring Inc., to give some Osborne families some much needed support.

100% of your donation will go directly towards supporting those families with a \$50 Coles or Woolworths grocery voucher from Coles or Woolworths.

Please donate via Bank transfer to the CCI Bank Account and use 'HOPE' as the description:

New Peninsula Community Caring Inc.
