Osborne Primary School Newsletter

11th May 2021

PRINCIPAL REPORT

I do hope our Mothers, Step Mothers, Grandmothers and special persons had a very Happy Mothers' Day last Sunday. The Mothers' Day stall held at Osborne on Thursday 6th May was a huge success. The students enjoyed purchasing their gifts and making special tributes for Mothers' Day. Well done to our FOS group for running a very successful Mothers' Day stall. We have a further Mothers' Day event on Wednesday May 11th. Our mothers are invited to attend yoga and morning tea in the gym. We wish everyone concerned a very enjoyable morning.

2.30pm—4.00pm

Whole School Cross Country

We were fortunate to have beautiful weather for the Whole School Cross Country held last Friday at Osborne. Congratulations to all our students from Foundation to Year 6 on a great effort and giving it their best! Thanks to our parents and friends who were able to come along and support the students in their run.

Due to the Staff Meeting on Wednesday mornings, teachers are unavailable for parent meetings before school.

Music for soft start will commence at 8.55am on Wednesdays.

Osborne Primary School would like to acknowledge the Bunurong People, the Traditional Owners of the land on which we are gathered and pay our respects to the Elders both past, present and emerging.

OSBORNE Vision Statement

OSBORNE Primary fosters a caring, inclusive environment that develops values, attitudes, knowledge and skills in our students that will better equip each student to achieve a meaningful and fulfilling life in our complex, changing world.

Warm up exercises

On the 'home stretch'

Foundation Tours 2022 and Information Night

This term we have commenced school tours for prospective parents—Foundation 2022 students. Our tours are conducted each Tuesday morning and Thursday afternoon and have been fully subscribed. I have received very positive feedback from the participants on the tours. The students' engagement in their learning, the range of facilities and programs and the friendly atmosphere at the school are just some of the features that have been noted by our tour participants.

Next week we have an Information Night for prospective Foundation parents being held on Wednesday 19th May at 7.00pm in the Birdrock Building. All interested prospective parents are most welcome. Current parents at our school with Foundation children starting 2022 are also welcome to come along for a refresher if they wish.

We ask that Osborne parents with siblings for Foundation next year please come to the office to collect an enrolment pack. It is important to gain a clear picture of enrolment for our planning as early as possible.

NAPLAN Assessment this Week

The NAPLAN Literacy and Numeracy assessments are being carried out this week on Tuesday, Wednesday and Thursday for Year 3 and Year 5 students. It is very important for students completing the assessments to be on time for school on those days. We wish our students all the best for the assessments.

New Staff Member

We extend a warm welcome to Mrs Jessie Brown to Osborne as our new teacher in Year 1. Jessie commenced last week at Osborne and has already settled in extremely well with her new class. The students, staff and parents have made Jessie feel very welcome and she is enjoying getting to know everyone.

Pam Anderson, Principal

Dates for the Diary

Do you like once in a lifetime opportunities? Then the crate climb is for you! You might never be able to do it again. Crate climb is a very exciting activity and it's so much fun. By Ava 4MB

Do you like the feeling of adrenaline in your body? I know I do. I highly recommend you go to the top of the giant swing. It's truly amazing!

By Jack S 4MB

Would you want to miss an activity that you will never be able to do again? I know that you would not. I absolutely recommend that you try the crate climb.

Project Rockit

The Year 5 and 6s reflected on our incursion from Project Rockit on Tuesday 27th May.

PROJECT ROCKIT

Examined the idea of 'what's normal?' and built an understanding of strength in diversity

Built empathy for those who experience social exclusion and are motivated to create a united and welcoming school environment

Demonstrated strategies to build inclusion within their school community

Project Rockit was run by Matt and Snahar and they taught us many things, including wellbeing, empathy, understanding others, inclusiveness and learning what the word 'normal' actually means. Today I learned that anybody can be normal. It doesn't matter how you look, what you believe in, what hobbies you do or if you dress differently, we're all human in the end. **Skye**

Matt and Snahar talked to us about that everyone is different and there might be something called 'normal' in school but why be 'normal' when everyone's different? We all talked about that there are things that make us stand out and things that are the same. There was a lot of audience participation. In conclusion, it really can help our Year 6 wellbeing. **Kara**

They spoke about how we should always be empathetic towards everyone to try to ensure that less people feel left out, and people stop excluding people for their differences. **Ashlee**

It taught me how to put myself in someone else's shoes and treat everyone the same no matter how they look or what they do. **Patrick**

Grace pledged- I will never judge or shame people for who they are.

Imogen learnt it's ok to be different. Be whoever you want to be. Think about what it feels like to be excluded and that girls and boys can play with each other.

Amelia has pledged to include people in games no matter who they are.

Frankie learnt to be different and not to change for others- it's cool to be weird. Her pledge was to not judge others by their looks before she gets to know them.

Don't try and hide your differences. If someone is different don't tease them. Stand up for someone who is getting bullied or teased. If you are feeling left out then speak up about it. **Mason**

It's okay to be different. You're amazing just the way you are. There is no such thing as 'normal', nobody is the same. Just be yourself and not anyone else. **Oliver**

SPORT

Summer Lightning Premiership Sports Day

Our Year 6's represented our school at Basketball, Hot Shots Tennis and the first ever Mornington District Kickball tournament. Lots of fun and enjoyment was had by all and a large thank you to our parent helpers who assisted on the day as coaches. A special congratulations to our Boys Kickball team who finished as runners up to Mt Martha PS on the day.

House Cross Country event: Birdrock had the most finishers in the top 10 and so they won the House Cross Country Event.

A special mention to our school winners listed below:

Foundation: Rylan and Hanna

1's: William B and Matilda M

2's: Jonty and Scarlett B

9/10yo: Indiana and Nicholas L (well done to the 9 year olds who ran with the 10 year olds)

11yo: Sebastian A and McKayla K

12/13yo: Caiden S and Lily G

District Cross Country will be held on May the 27th at Penbank School for those who finished in our school top 10 placings. This includes our Year 2's to Year 6's. We will bus the students on the day, the event will be available on compass for parent consent this week.

Dan Pieters, PE Co-Ordinator
