Osborne Primary School Newsletter

8th June 2021

## PRINCIPAL REPORT

Our second week of remote and flexible learning has seen a continuation of a fantastic effort from our families, students and staff. Well done to our students for displaying resilience and a strong commitment to their learning. I have enjoyed saying hello to some of the classes during their morning webex sessions. Great to see the students' faces and hear the discussions! This week the students have enjoyed some additions to the remote learning program including live webex specialist sessions and the return of SeeSaw. The teachers have been very pleased to see students checking in each morning and uploading work on SeeSaw for feedback. Keep up the amazing work students! We will most likely hear tomorrow from the Acting Premier as to the resumption date for schools. I will keep families informed via Compass as new announcements are made. We are looking forward to seeing all of our students back on site hopefully in the very near future.

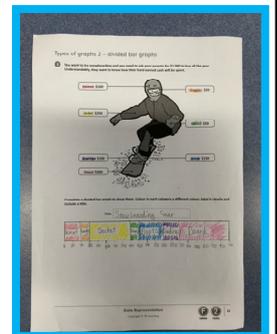

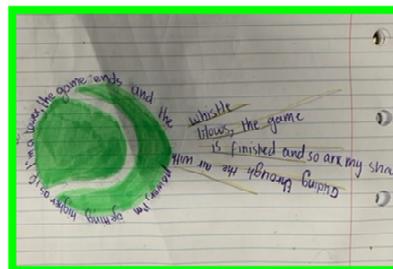

Our planned open night on Wednesday 9<sup>th</sup> June has been cancelled and may be rescheduled next term depending on the status of COVID restrictions and the school calendar. Our next planned curriculum day on Friday June 11<sup>th</sup> has been moved to **Monday 12<sup>th</sup> July**, which is the first day of Term 3. Given the current circumstances we believe the change of date will work better for families and the school.

Take care everyone and wishing you all the best for the rest of the week.

Pam Anderson, Principal

Some Year 6 students  
Remote Learning Work.

Osborne Primary School would like to acknowledge the Bunurong People, the Traditional Owners of the land on which we are gathered and pay our respects to the Elders both past, present and emerging.

Rescheduled  
Curriculum Day  
Now  
Monday 12th July

### OSBORNE Vision Statement

OSBORNE Primary fosters a caring, inclusive environment that develops values, attitudes, knowledge and skills in our students that will better equip each student to achieve a meaningful and fulfilling life in our complex, changing world.

Term 2:	19th April—25th June
Term 3:	12th July—17th September
Term 4:	4th October—17th December

**STAY SAFE,**  
*Warm and Well*

## WELLBEING

### What have you done during your time at home?

Talking to many Osborne families and I am so impressed with all the wonderful activities that they have thought to do! Especially outside in the fresh air. After children have done all their remote learning tasks of course!

*Some ideas are:*

- Make a list of things to find or photograph and go on a walk to see who gets them all.
- Put on your gumboots and go for mud adventure walk down at the creek. What can you find?
- So many art and craft ideas to research and do. Try some of the messy outside ones. eg. Potato print some wrapping paper, paint blowing with straws, broken chin mosaics.
- Going on a bike or scooter ride. With a snack or even pack a picnic.
- Draw.....whatever you like! How about go outside and sketch what you see?
- Walking on the beach no matter what the weather.
- Collecting interesting sea creatures and plants and putting them together in a rock pool aquarium. Of course letting them all go free before you go home.
- Cooking something new or something you learnt how to do in SAKG.
- Invent your own pizza or soup by putting in all kinds of vegetables and herbs from the garden or fridge.
- Planting seeds, cuttings or bulbs in pots for spring.
- Learn to knit!
- With an adult, light a fire in a safe place and cook some potatoes wrapped in foil. Or make damper and cook that. Yummy!
- Build a cubby outside under a tree with whatever you can find. Inside if it remains wet.
- Write a song or invent a dance! Perform for your family. Concerts are great fun.
- Construct an obstacle course with anything around your yard. Time challenge your family to complete it.
- Invent your own family pentathlon, heptathlon, decathlon etc. A series of challenges to do in the back yard or inside with a score for each activity to get a winner. Adults to compete too! eg. pin tail on donkey, plank for minute, hop on one leg around a course, throw a goal in basketball ring.
- Paint some rocks. There are lovely smooth ones at the beach.
- Make someone else happy.
- Or you could always clean your room! Haha!

*Not long now and we will all be back at school. We look forward to seeing you here soon.*

**Mrs Peters and the Wellbeing Team**
