Dear Parent/Guardian,

Welcome to Osborne Primary School. We are looking forward to a great year of teaching and learning and would like to advise you of Osborne Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to deliver a wider offering of subjects and special curriculum experiences as well as enjoyable and safe buildings and grounds. Past, present and future students have and will benefit from the contributions families make to the school. Examples are outlined in the following table.

Curriculum and Extra Curricula	Playground	Buildings

Extra-Curricular Items and Activities

Osborne Primary School offers a range of items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These are provided on a user-pays basis.

Financial Support for Families

Osborne Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

Uniforms Second Hand Uniform Shop

In order to support families with the costs of uniform the school operates a second hand school uniform shop. Parent volunteers from our fundraising group Friends of Os coordinate this activity. Families donate quality uniform items which are no longer required, and these garments are offered to the school community for a nominal price. Second hand uniform sales are advertised in the fortnightly newsletter. All proceeds from second hand uniform sales are used to assist students with families in financial distress to attend excursions and other events.

Uniforms State Schools' Relief

State Schools' Relief may cover the cost of new uniforms and shoes for underprivileged students. State Schools' Relief can only respond to assistance requests from the Principal (or Principal's delegate). Parents or carers who are struggling to provide their child's uniform will need to contact the school to discuss their individual situation.

Books and Stationery

Each year the school compares stationery prices across a number of suppliers. The school selects the supplier based on cost, quality and an ability to deliver all items in the required timeframe. The school utilises a low cost supplier and takes advantage of our large student population making the prices very competitive. The selection of stationery items are made by the student's year level teachers for the quality and durability as well as value for money. The teaching staff have reviewed and reduced the list of stationery items to ensure each item is necessary for student learning. Some items are carried forward to the next year level, and throughout your child's schooling some items will be carried forward for more than one year.

The school does not receive a commission from the stationery supplier ensuring the best price for families.

Camps, Sports, Excursions Fund (CSEF)

CSEF provides payment for eligible students to attend activities such as school camps, school organised sport and other school excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. This allowance is paid to the school and held in the family account to be offset against eligible events. In 2022 the allowance for Foundation to Year 6 was \$125 per eligible student. We are expecting the allowance will be \$125 per eligible primary student in 2023.

In 2022 students in Foundation that are recipients of CSEF automatically qualified for the CSEF Winter uniform package which included a school jacket, one school pants (or tunic) and a pair of shoes. We anticipate government funding for the Winter Uniform package will also be offered in 2023.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

**PARENT PAYMENTS POLICY
ONE PAGE OVERVIEW**

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
