2023 Booklists & Parent Payments

2023 Parent Payment Request Form (previously called Booklist)

The 2023 Parent Payment Request forms will be sent home with students next week. Please look out for it. There are a couple of sections:

Education Items for student to use and own

Parents and carers will be able to order online directly from the supplier and items will be delivered to your home. Alternatively families may choose to source their own items.

Curriculum and Other Contributions

Within our school, support from families for curriculum and other contributions has allowed us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs. Our reading and numeracy materials are extensive, and we are constantly adding new material for teachers to use to support personalised and quality learning.

Our Specialist programs of Art, Music, Indonesian, Science (STEM), Kitchen, Garden and PE are exemplary, and your financial contributions assist us with the purchasing of varied art resources, musical instruments including ukuleles and many more. Our fantastic playgrounds, sports oval and outside facilities have all been supported through our combined efforts.

Additional programs we can offer, because of your contributions include choir, productions, concerts, sports events, different lunch time activities and wellbeing programs such as Play is the Way. These programs and events are essential in being able to provide the rich learning opportunities that foster belief in developing the whole child.

OSBORNE Vision Statement
