## **PURPOSE**

To ensure school staff understand their supervision and yard duty responsibilities.

## **SCOPE**

This policy applies to all teaching and non-teaching staff at Osborne Primary School, including education support staff, casual relief teachers and visiting teachers.

## **POLICY**

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### **Before and after school**

Osborne Primary School's grounds are supervised by school staff from 8.45 am until 3.30 pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through a notification on our school website, regular reminders in our newsletter that they should not allow their children to attend Osborne Primary School outside of these hours. Families will be encouraged to contact the school office on 5975 1792 or refer to <http://osborneps.vic.edu.au/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### Yard duty

All staff at Osborne Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal] is responsible for preparing and communicating the yard duty roster on a regular basis. At Osborne Primary School, school staff will be designated a specific yard duty area to supervise.

### Yard duty zones

The designated yard duty areas for our school (as at Term 2, 2022) are

Area	Zone
Area 1	Prep Playground/Canteen/Blue Court
Area 2	BER Building/ Kickball Court/ Year 1 Play Area
Area 3	Oval
Area 4	Oval

### Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in individual classrooms, with spares in the staffroom
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the staffroom for Area 1 and 2, and Portable P14 for Area 3 and 4.
- Be familiar with the yard duty information pack containing student health and safety information stored inside the yard duty first aid bags
- Carry the school portable phone

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

### **Yard duty responsibilities**

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students ensuring they supervise behind buildings and in any out of sight areas
- speak to anyone who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor lanyards and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate in the Yard Duty book.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### **Classroom**

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact Year Level Coordinator for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.
