### Year 3 and 4 Clubs Program

Each Friday for the month of August our Year 3 and 4 students all participated enthusiastically in the Clubs Program, which has been designed to inspire and stimulate students to follow their passion and shine a light on their creativity, determination and innovation. The expertise from our community this year was outstanding and enabled the following clubs to proceed:

- Puppet and Mask Making (Jaclyn Jenkins)
- Art Journaling (Francesca Laude)
- Drawing Class (Ken Gatenby)
- Science Experiments (Laura Fitzpatrick)
- Kids Yoga (Laura Potter)
- Chess (Oliver Webb)
- Knitting (Jacqui Mullen)
- African Cooking (Elsie Porter)
- Greek-Turkish Cooking (Eva Ntaoula)

Our talented Year 3 and 4 teachers facilitated these clubs:

- Crochet & Finger Knitting (assisted by Kate Stewart)
- Skipping Squad
- Sewing
- STEM Challenges (assisted by Sandra Emms)
- Becoming an Author
- Movie Making
- Lacrosse

The smiles and enjoyment seen on the students' faces was reflective of how much they enjoyed their time and the new skills they gained.
