

Welcome back to school! We are thrilled to have you back for another exciting term of learning! We hope you had a wonderful and rejuvenating break!

Fortnightly Bulletin

We are very fortunate to have Kids ROAR come to Osborne Primary School this term from Monday 6th of June. KidsROAR delivers engaging Protective Behaviours programs that focus on 'Personal Safety 4 Kids'.

Parents are also invited to attend the Zoom session from home on Tuesday 23rd April at 7:00pm. Please see the Compass message previously sent and meeting link below.

Protective Behaviours is a world-wide recognised program that aims to promote personal safety skills for children and adults. By creating an awareness of 'safe' behaviours, people are empowered to use strategies that will help to prevent abuse, reduce violence in the community, and promote positive health and well-being.

Protective Behaviours has two Core Themes that are emphasized throughout the KidsROAR Programs.

Theme 1: We all have the right to feel safe at all times.

Theme 2: We can talk about anything with someone we trust, no matter what it is.

The 'ROAR' in KidsROAR

By participating in an interactive KidsROAR session, children will develop a greater understanding of how important it is to 'ROAR'....

Recognise – feelings, warning signs, safe/unsafe situations and secrets

Own – their body and understand it belongs to them

Assert – have confidence to implement the 'No, Go, Tell' strategy

Report – to their identified trusted adults and persist in telling them how they feel

The KidsROAR sessions have been created so that by the end of the program, children will....

- Know that we all have the right to feel safe at all times
- Recognise safe and unsafe feelings
- Identify and act upon early warning signs
- Use correct anatomical names of the private parts of their body

This will provide a great opportunity for our students and parents and can be a great way to have open communications with your children using the correct terminology.
