There is **NO** whole school assembly this Friday 14th February. The next assembly will be on Friday 21st February.

## CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$154 for primary school students
- \$256 for secondary school students

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure
